

Dear Friends,

Marlborough College Concert Series enjoys an enviable reputation as an organisation respected for its longevity and class. It is a privilege to act as Chairman and to help continue the tradition of superb artistry that has existed for so long.

The Committee works extremely hard throughout the year to ensure that the series continues to run smoothly and one issue which is always difficult to judge is whether to increase ticket prices. I am delighted to say that the Committee has decided not to increase ticket prices for the 2016/17 season and I hope that you agree that, given the artists we are able to engage, we continue to offer terrific value for money.

The Choral Concert in March is not advertised in our publicity material as it is not connected to the Concert Series organisation. Details for this event can be found on the College website nearer the time and applications for tickets should be made to choralticket@marlboroughcollege.org. May I also maintain the request to be seated 10 minutes in advance of the start of all our performances wherever possible as there are often additional audience to seat and a prompt start is appreciated by the artists.

For the forthcoming 75th season, we continue with the conventional 5 concert series with the January and February concerts again scheduled at 3pm.

In addition to ordering tickets through our Box Office (see over) there is also the opportunity to purchase tickets through We Got Tickets. This is an online facility and details can be found on our website.

You will see listed in the brochure our generous sponsors, headed by our lead sponsors, The Merriman Partnership. I am most grateful to all for their continued support of the series. In addition, I am thrilled that audience members can enjoy a complimentary glass of Mionetto prosecco on arrival at all our concerts. My sincere thanks to Mionetto for their generous sponsorship and I hope that meets with your approval! A further highlight will be two pre-concert talks on 9 October 2016 and 22 January 2017 - details are included in the leaflet.

We remain indebted to the College for its support of the Concert Series and I am greatly looking forward to the season ahead which I hope you will agree is a mouthwatering prospect.

Enjoy the music,

Philip Dukes
